CALL Conference Cancellation Policy

CALL incurs non-refundable costs associated with each conference registration, including meals, materials, and special events. As a result, while CALL endeavours to accommodate individuals who register and are subsequently unable to attend a conference, the following principles will apply:

1. Full reimbursement of conference registration fees will be provided upon a minimum of 14 days' written notice by a conference participant of cancellation of registration;
2. Requests for reimbursement/cancellation due to compassionate/emergency reasons other than work commitments, made with fewer than 14 days' notice, will be considered on a case-by-case basis at the close of the conference, by Council.
3. No refund of membership fees will be made based on cancellation of conference attendance.
