Your Excellencies:

The Canadian Association of Labour Lawyers/Association canadienne des avocats du mouvement syndical is an organization comprised of labour lawyers who represent trade unions across Canada. Our organization has received information on the assassination in April of this year of the trade union organizer Rafael Santiago Cruz in the offices of the Foro Laboral Obrero Campesino (FLOC) in Monterrey, Nuevo León, México. According to the information that we have received, the information issued by governmental authorities on the investigation of the assassination is not correct and impedes a thorough and authentic investigation.

We are writing to Your Excellencies to express our profound concern over this situation. We respectfully request that a complete and thorough investigation be carried out, and that the information relating to the investigation be made public fully and accurately. Justice and the human rights of workers demand that the investigation of this assassination be sufficiently comprehensive so as to get to the bottom of this case, and so that the real culprits be brought to justice.

Respectfully,

**Canadian Association of Labour Lawyers/
Association Canadienne des avocats du mouvement syndical**
